ARE PARTNERING TO RAISE MONEY FOR

Looking for an easy way to help save the environment and give money to a great cause? STS9 has partnered with LG ecoMobilization and LiveNation to help rid our world of unused or broken electronics by recycling items such as phones, tablets, MP3 players, GPS devices PDAs, batteries, chargers and more.

Don't worry if you can't make it to any of the shows, just text "STS9" to 95173 and they will send you a pre-paid envelope to send back anything you want to recycle.

For every product recycled, LG is giving Sound Tribe \$ 2.00 to go towards Rock Against Cancer - a nonprofit bringing the healing music to children battling cancer ([www.rockagainstcancer.org](http://www.rockagainstcancer.org)).

Below is a list of dates where representatives will be collecting your electronics:
